

Dear Students, Summer vacation is a much-anticipated time for both parents and children! This year, let's make it extra special by focusing on fun and learning. The goal of your holiday homework is to encourage you to work independently and enhance your academic skills. We hope you'll manage your homework and activities well, earning a golden star for your efforts! We wish you a wonderful vacation filled with joy! Good habits and good manners are lifelong treasures, and manners become a habit through practice. The four magic words that form the foundation of good manners are: Please, Thank you, Excuse me, and Sorry. Make these words a habit, and you'll see the difference they make. HYGIENE: Brush your teeth twice a day. Trim your nails regularly. Conserve water and electricity. Keep your surroundings clean. Avoid littering from windows, cars, or balconies. Choose friends who have good habits, respect elders, and use polite language.
