Dear children

We all wait for the summer break throughout the year to enjoy & spend quality time with our family & friends. We can learn many new things and rejuvenate ourselves for the upcoming session. Spend your time in doing things you love the most, diminish screen time and play outdoor games, go out with your family, eat your favourite food, try hand on cooking and enjoy every bit of summer break. Be rollicking, be crazy, be the prince / princess of your house, enjoy the pleasure of being at home. But also take good care of yourself as you all are very precious for us and team **SIS** will eagerly wait for you all.

You can download the Holidays' Homework from the school website for your convenience and in case of any clarification, you may contact the concerned teacher.
